Source: Office of the County Clerk, Sedgwick County, November, 1993.

The mill levy total above applies to citizens living within U.S.D. 259. The mill levy may differ for persons living within one of the other school districts serving Wichita.

^{*} The City's 1993 assessed valuation of \$1,489,297,534 (for the 1994 budget) represents a loss of \$23,182,011 (1.5%) from the 1992 assessed valuation of \$1,512,479,545 (for the 1993 budget). The loss resulted from voter approval in November, 1992, of a state constitutional amendment to reclassify property assessment rates.

Notes:

- * Motor vehicle property was excluded from the general tangible property tax base in 1980.
- ** The increase in assessed valuation is due to the statewide reappraisal.
- + The November, 1992, passage of the property reclassification amendment caused shifts in values that resulted overall in a lower assessed valuation.

COMPUTATION OF AGGREGATE TAX LEVY LIMITATION (TAX LID)

1993 Tax for 1994 (Estimated)

| Estimate of dollars available under the lid for additional expenditures (margin, less 7% delinquency allowance) | 3,519,572 |

NOTES

The 1991 Kansas Property Tax Lid Law

For a short time during the 1991 legislative session, it appeared as if Kansas would depart from two decades of property tax lid laws imposed upon local governments. The tax lid law enacted in 1990 had a sunset provision for its expiration on July 1, 1991, and the House of Representatives had failed to pass a new bill (HB 2347) on March 5 to extend and "tighten up" the lid law, by a vote of 69 to 54. But on the last day of the adjourned 1991 session, on Sunday, May 26, a new lid on property taxes was imposed by the legislature, as summarized in this article.

House Bill No. 2222, which takes effect upon publication in the statute book on July 1, 1991, contains three parts, relating to valuation increases, tax protests, and the property tax lid law. This report deals only with the tax lid law. The tax lid provisions of HB 2222 amend: (1) Supp. 79-5038, a part of the 1990 tax lid, to repeal the July 1, 1991 sunset provision and thus extend until July 1, 1993 the lid law found in K.S.A. 79-5021 to 79-5036, and (2) Supp. 79-5028 to exempt from the lid certain county levies for mental health purposes.

This report includes three sections, as follows:

Section 1. Summary of the Tax Lid Law

Section 2. Political Subdivision Rate Limits

Section 3. "Home Ruling" the Tax Lid Law

Section 1 Summary of the Tax Lid Law

The tax lid act, as amended, imposes a tax lid limit (aggregate dollar amount) only upon cities, counties, townships, Washburn University and community colleges (not school districts)-see "Basic Tax Lid Provisions," below. Other taxing units and political subdivisions are subject to adjusted statutory levy rate limits—see "Section 2," below. The tax lid law expires July 1, 1993, thus affecting taxes levied in 1991 and 1992.

BASIC TAX LID PROVISIONS

The tax lid law limits the total amount of property taxes a local unit may levy, in the aggregate for all purposes and funds not legally exampt, to the same dollar amount of taxes levied in the base year of either 1988 or 1989, with provisions for increased taxes for purposes under the lid only from increased valuations resulting from (a) new improvements on real estate. (b) added personal property, and (c) additions in territory, such as by city annexation. As in the past, it is a 100% tax lid, with no growth in taxes permitted for purposes under the lid. However, increased property taxes in excess of the lid are authorized (a) by approval of the state board of tax appeals, (b) by approval of the voters, or (c) by home rule option, as later explained.

STATUTORY EXEMPTIONS

Only property taxes levied for the following purposes

are exempt from the statutory tax lid amount (K.S.A. 1990 Supp. 79-5028, as amended by 1991 House Bill No. 2222):

- (a) Debt Service. "Principal and interest upon state infrastructure loans, bonds, temporary notes, no-fund warrants and payments made to a public building commission." (Under 1991 HB 2493, water pollution control revolving fund loans are considered to be bonds exempt from the lid).
- (b) Liability. "...judgments, settlements and expenses for protection against liability to the extent such expenses are authorized by article 61 of chapter 75 of the Kansas Statutes Annotated." (This covers the tort claims act and statutory provisions as to federal civil rights liability).
- (c) Employee Benefits. "...employer contributions for social security, workers compensation, unemployment insurance, health care costs, employee benefit plans, and employee retirement and pensions programs."
- (d) District Courts; Juveniles. "...expenses incurred by counties for district court operations..." and "...for the detention of inveniles."
- (e) Out-District Tuition. "...expenses incurred by counties for payment of out-district tuition to community colleges pursuant to K.S.A. 71-301."
- (f) Mental Health. County levies for mental health purposes under K.S.A. 19-4004, 19-4011, 65-212 and 65-215.
- (g) Motor Vehicle Taxes Replacement. The aggregate lid total may be increased to replace any estimated revenue decrease in special motor vehicle property tax receipts below the amount received in 1990.
- (h) Community Colleges. The aggregate lid on community colleges may be adjusted to increase the amount in proportion to enrollment increases above the 1989-1990 school year (Supp. 79-5024).
- (i) County Homes for the Aged; Hospitals. In addition to the above exemptions specified in the tax lid law, K.S.A. Supp. 19-2122 permits certain counties to levy one mill outside any aggregate tax levy limit for homes for the aged. K.S.A. Supp. 79-1947b places voter-approved county levies for homes for the aged outside the lid. K.S.A. Supp. 19-4606 exempts certain voter-approved county hospital levies.

PREVIOUS EXEMPTIONS; HOME RULE

Only the above statutory exemptions will apply to 1991 tax levies. Fifty different statutes were amended or repealed in 1990 to eliminate lid exemptions, some of which were created by the 1990 tax lid law. Further, all existing city home rule charter ordinances and county home rule resolutions relating to tax lids were invalidated in 1990, unless they apply directly to the 1990-1991 tax lid law (not prior laws). Local units under the lid may use a home rule option to either exempt themselves from the tax lid law or to modify its provisions. See "Increasing Taxes Subject to the Tax Lid." below, and Section 3.

BASE YEAR; AMOUNT

Each local unit subject to the tax lid has a tax lid base—an amount which controls the total taxes that may be levied in 1991 under the lid. This is the amount of taxes levied in (not for) the "base year" of either 1988 or 1989, as designated by the local unit as its base year. Selection of the "best base" year may require an analysis of both years to select the year providing the most discretion as to 1991 taxes. For either base year, the growth of taxes from new improvements and added personal property is based upon growth since the 1989 assessments (as of November 1, 1989), not since January 1, 1988 assessments.

INCREASING TAXES SUBJECT TO THE TAX LID

As previously noted, the tax lid law provides methods by which a city, county or other unit may increase its taxes under the lid. These are explained below. They are in two forms: (a) automatic increases or (b) local action increases

(a) Automatic Increases

- (1) Increases from new improvements and added personal property. If the assessed valuation of a local unit, for example, is 2% higher as of January 1, 1991 than it was for 1989, and this increase resulted from new improvements on real estate and/or added personal property, the maximum amount of taxes that may be levied under the lid may be increased by 2%.
- (2) Increases from territory changes. If territory is added to a taxing unit, the proportional increase in valuation raises the property tax lid amount. For example, if a city annexes territory which has a valuation equivalent to 0.5% of the city's valuation prior to the annexation, its tax lid authority is increased by 0.5%.

(b) Increases By Local Action

- (1) Board of Tax Appeals. Under K.S.A. 79-5030, a taxing unit may apply to the State Board of Tax Appeals for authority to increase its taxes under the lid. The board must find that there is an "extreme emergency need." The procedure involves three legal publications, with the possibility of a voter petition for a referendum on the board-approved increase. Similar authority in the past has rarely been used.
- (2) Voter approval. Under K.S.A. 79-5029, a referendum of the voters may be held to increase the tax lid amount, but these referenda may only be held on the first Tuesday in June, at a general election held in April or November or at any primary election. This procedure has also rarely been used in the past, probably because of the home rule option flexibility explained below.
- (3) Home rule option. A local unit may use what is called a home rule option to either exempt itself from the tax lid law or to modify its provisions, under K.S.A. Supp. 79-5036. The complete exemption approach is similar in its effect to many prior-adopted city charter ordinances and county charter resolutions, whereby local governing bodies elected not to be governed by the previous property tax lid law. A modification approach might include increasing the tax lid by a specific amount or exempting taxes levied for a certain purpose.

In the case of cities, the constitutional home rule provision (section 5 of article 12 of the Kansas Constitution) is to be used. This requires a 2/3 vote of the governing body, two legal publications and a 60-day delay period within which a petition for a referendum may be filed by a number equal to 10% of those voting at the last city election.

In the case of counties and other units, the adoption

procedure provided within K.S.A. 19-101b is to be followed. This statute provides for a unanimous vote of the county governing body (a 2/3 vote in counties with five commissioners) and two legal publications, with a referendum required if, within 60 days, a petition signed by not less than 2% of the electors voting at the last election, or 100 electors, whichever is greater, is filed requesting a referendum.

MOTOR VEHICLE TAX REPLACEMENT

Some local units which do not "charter" the tax lid law will want to analyze the local fiscal impact of the vehicle tax replacement exemption found in K.S.A. Supp. 79-5028, as "reenacted" by 1991 H.B. 2222. The applicable provision reads as follows:

"Amounts produced from any taxes levied for purposes specified in this section shall not be used in computing any aggregate limitation under the provisions of this act. In addition, amounts needed to be produced from the levy of taxes by a taxing subdivision to replace the difference between the amount of revenue estimated to be received by such taxing subdivision pursuant to K.S.A. 79-5101 et seq., and amendments thereto, in 1990, and the amount of such revenue estimated to be received by such taxing subdivision in each year thereafter, shall not be used in computing any aggregate limitation under the provisions of this act. On or before June 1 of each year, information necessary to make such computation shall be provided to each taxing subdivision by the appropriate county treasurer."

In simple terms, this means that if a local unit received \$10,000 from vehicle taxes in 1990 and expects to receive only \$9,500 in 1992, it may increase its taxes by \$500 above the lid limit.

By administrative regulation, the Kansas Department of Revenue has accelerated the depreciation rate applicable to motor vehicles subject to the "tax and tags" law, in an effort to ease the purported inequity caused by staggered registration of vehicles according to the first letter of registrant's surnames. Based on statewide projections, at least one county clerk has estimated that 1991 and 1992 motor vehicle tax receipts will be 7.5% less than in 1990. Vehicle tax receipts, of course, depend upon both changes in valuation (varying with new car purchases, as well as the new depreciation schedule) and changes in the average countywide property tax rate.

EMPLOYEE BENEFITS EXEMPTION

For many local units, the exemption of various employee benefits is the most significant exemption in the current tax lid law. While the creation of a separate employee benefits fund and the levy of a special tax thereon is not essential for an exemption (since it is the purpose and not the fund that is exempt), it is increasingly common to create and use employee benefits funds. For 1991 purposes, there were 92 counties and 282 cities which levied an employee benefits tax. Research bulletins on this subject are available from the League of Kansas Municipalities. Existing ordinances and resolutions creating such a fund should be examined to make certain that health care costs (first exempted from the tax lid in 1990) is a purpose funded by an employee benefits tax levy.

BASE YEAR EXEMPTIONS

It should be noted that taxes levied in the base year for previously exempt purposes, although not exempt in 1991, constitute a part of the tax lid base (with the apparent exception of county levies for mental health purposes). For example, if the base year selected is 1989, and \$10,000 in taxes was levied for noxious weeds and \$10,000 for

economic development in 1989, this \$20,000 total constitutes a part of the tax lid base, even though those moneys were from levies which were lid-exempt in the base year. Governing bodies have discretion to allocate the total tax lid base amount for various purposes. For example, a governing body could reduce the tax levy for noxious weeds and economic development by \$5,000 each, and apply this \$10,000 total to some other purpose within its 1992 budget. In other words, tax lid authority is "earned" by previous lid-exempt taxes but the future allocation of those dollars is a governing body determination.

LEVY RATE LIMITATIONS

Few state laws impose tax levy rate limits on city tax funds. These are more commonly imposed upon counties and townships. Under K.S.A. Supp. 79-5022, statutory fund mill levy rates are suspended. This is true for all fund levy rates of cities and counties, not just for those under the lid (with the apparent exception of county levies for mental health purposes). It is the aggregate total taxes that is controlled. While statutory levy rate limits are suspended, increased taxes levied for one fund may necessitate a decrease in taxes levied for other purposes in order to meet the total lid controlled amount. The tax lid controls total taxes, not individual tax funds.

PURPOSES VS. FUNDS

The tax lid law exempts purposes and not tax funds, with a few exceptions. The statutory exemptions apply to taxes levied "for the payment of..." one thing or another. K.S.A. Supp. 79-5026 provides that "Amounts produced from any taxes levied for purposes..." that are exempt shall not be used in computing compliance with the lid total. Thus, a separate tax fund is not essential to obtaining a lid exemption, although it is common practice for cities and counties to have separate tax funds for authorized exemptions from the lid.

Section 2 Political Subdivision Rate Limits

Subsection (c) of K.S.A. Supp. 79-5022, a part of the tax lid law suspending statutory tax levy rates, provides:

"In 1990, and each year thereafter, the fund levy limits shall be increased by multiplying the dollar amount produced by the levy limit for 1988 by the quotient determined by dividing the assessed tangible valuation amount of the current year by the assessed valuation amount for 1989. The provisions of this subsection shall not be applicable to any city, county, township, municipal university or community college."

For clearly independent taxing units not under the tax lid provisions, such as cemetery and fire districts holding public budget hearings and certifying their taxes directly to the county clerk, the effect of this requirement is to neutralize the impact of 1989 property reappraisal figures. This is done by first determining the amount of dollars that legally could have been levied in 1988. This dollar amount is then adjusted by the percentage increase of the current year's valuation over the 1989 valuation. Thus, if a special district could have legally levied \$2,000 in 1988, and its valuation increased by 5% between 1989 and 1991, it may levy a maximum of \$2,100 in 1991 for 1992 purposes. No provision is made for decreases in valuation. If a unit could have levied \$2,000 in 1988, it may levy \$2,000 in 1991 even though its 1990 valuation decreased.

Tax levies of city-only recreation commissions holding

their own budget hearings are not included in city tax lid amounts. These tax levies are, however, subject to the above adjustment requirement if the tax levy rate is fixed by statute. Under its home rule authority, the city governing body may establish maximum commission levy rates. If this has been done since 1988, the city-determined rate may be levied by the commission and this rate is not adjusted for valuation changes. The locally determined maximum rate may be applied to the 1991 valuation.

In the case of a city library board (except Hutchinson, Salina and Topeka), library taxes should also be excluded from city tax lid calculations, consistent with past practices and the state-prepared budget forms (although some city governing bodies may have legal powers to adjust library board requests). The same procedure should be followed as for city recreation commissions. Where cities have fixed the maximum library board levy rate by charter ordinance, that locally determined rate may be levied without adjustment in accordance with valuation changes.

Political subdivisions may modify the tax lid law by following the county home rule procedures. See K.S.A. Supp. 79-5036.

Section 3 "Home Ruling" the Tax Lid Law

K.S.A. Supp. 79-5036 specifically authorizes the governing body of any city, county or other taxing subdivision to exempt itself from the tax lid law or to modify the provisions thereof. In order to utilize this statutory exemption from the lid law, the *procedural requirements* that apply when adopting home rule charter ordinances or resolutions are to be followed. See "Home Rule Option, above.

In addition to this statutory authorization for modifying the new tax lid law, legal counsel for the League of Kansas Municipalities is of the opinion that a constitutionally-based charter ordinance may also be used. In other words, a city could elect not to be governed by some or all of the tax lid act by exercise of its constitutional home rule authority, rather than by acting under the statutory authority of K.S.A. Supp. 79-5036. This legal opinion recognizes that the tax lid provisions in K.S.A. 79-5021 to K.S.A. 79-5036, as amended in 1990 and then in 1991, may apply uniformly to all cities. However, some of the sections of the 1990 tax lid law were included in an enactment of the legislature (HB 2700), which contained 61 sections, some of which were clearly not uniformly applicable to all cities. Therefore, all or any part of this legislative enactment (i.e. HB 2700) may be "chartered."

As a result, the League of Kansas Municipalities is of the opinion that action by cities to modify the tax lid may be taken by a constitutionally-based home rule charter ordinance. However, since there has been no court decision or opinion of the attorney general on this issue, it is suggested that if a city cites home rule authority in its tax lid ordinance, (1) the ordinance be passed as a charter ordinance, and (2) that it also cite the legal authority to modify the lid law under K.S.A. Supp. 79-5036.

The same rationale for home rule modification of the tax lid law under the Kansas Constitution (section 5 of article 12), appears to also apply to counties, under their statutory home rule powers (K.S.A. 19-101b).

For further information on "chartering" the tax lid law, see League Research/Information Bulletin No. 557.

THE CASH-BASIS LAW AND THE BUDGET LAW

Article 11.-CASH-BASIS LAW

Law Review and Bar Journal References: "Cooperation By Contract: Interlocal Agreements", Theresa Marcel Nuckolls, 59 J.K.B.A. No. 3, 25, 28 (1990).

Watershed districts; installment contracts for realty sales; cash-basis law. 81-20.

10-1101. Definitions. The following words, terms and phrases, when used in this act, shall, for the purpose of this act, have the meanings respectively ascribed to them in this section, except in those instances where the context clearly indicates a different meaning:

(a) "Municipality" shall be construed and held to mean county, township, city, municipal university, school district, community junior college, drainage district, and any other similar political subdivision or taxing district of the

state.

(b) The words "governing body" shall be construed and held to mean board of county commissioners of any county, township board of any township, mayor and councilmen or board of commissioners of any city, board of education of any school district, board of trustees of any community junior college, board of regents of any municipal university, board of directors of any drainage district, board of park commissioners of any city, and any other governing body or board of a municipality having authority under the laws of this state to create indebtedness against the municipality.

(c) The word "person" shall be construed and held to mean persons, partnerships, as-

sociations and corporations.

(d) The word "claim" shall be construed and held to mean any claim arising on contract express or implied, or a claim determined by final judgment, but shall not include claims arising from alleged tort or negligence on the part of the municipality.

History: L. 1933, ch. 319, § 1; L. 1972,

ch. 40, § 1; July 1.

All municipalities are required to pay or refinance their valid indebtedness as in this act provided, in the manner and at the times herein set forth, and to contract no indebtedness after May 1, 1933, except as herein provided. It is hereby declared that the purpose of this act is to provide for the funding and payment of all legal debts and obligations except present bonded indebtedness of all municipalities and for the future conduct of the financial affairs of such municipality upon a cash basis.

History: L. 1933. ch. 319, § 2: March 31.

evidences of indebtedness unlawful. Unless otherwise provided in this act, it shall be unlawful after May 1, 1933, for the governing body of any municipality to create any indebtedness in excess of the amount of funds actually on hand in the treasury of such municipality at the time for such purpose, or to authorize the issuance of any order, warrant, or check, or other evidence of such indebtedness of such municipality in excess of the funds actually on hand in the treasury of such municipality at the time for such purpose.

History: L. 1933, ch. 319, § 12; March 31.

10-1113. Creating indebtedness in excess of funds unlawful; exceptions. Unless otherwise provided in this act, it shall be unlawful after May 1, 1933, for any member of any governing body of any municipality to knowingly vote for or in any manner aid or promote the passage or adoption of any order, motion, ordinance, resolution, legislation or other act of said governing body, creating an indebtedness in excess of the amount of funds actually on hand in the treasury of such municipality at the time for such purpose, or to knowingly vote for the drawing of any order, warrant or check, or other evidence of such indebtedness on the treasury of said municipality, in payment of any such indebtedness, in excess of the amount of funds actually on hand in the treasury at the time for such purpose. School districts and community junior colleges, may, however, issue cancelable purchase orders for school supplies and equipment, school buses, books purchased in conjunction with textbook rental programs and data processing equipment in advance of the budget year during which moneys will become available to pay for such purposes, but contracts for the purchase of such school supplies and equipment, books, buses and data processing equipment cannot be entered into except during the budget year in which moneys will become available for such purchases and risk of loss and title thereto shall not pass to the school district or community junior college prior to entering into such contracts. Issuance of such a cancelable purchase order shall not constitute an indebtedness within the meaning of K.S.A. 79-2935.

History: L. 1933, ch. 319, § 13; L. 1969, ch. 67, § 1; L. 1970, ch. 66, § 1; L. 1972, ch.

40, § 2; July 1.

THE CASH-BASIS LAW AND THE BUDGET LAW

J. 19 3. 113.

10-1114. Clerks not to issue or sign orders. Unless otherwise provided in this act, it shall be unlawful after May 1, 1933, for the clerk or secretary of any governing body of any municipality to knowingly issue, attest, sign or countersign any order, warrant, check or other evidence of indebtedness, on the treasury of the municipality, in payment of any indebtedness of such municipality created by the governing body of such municipality in excess of the amount of funds actually on hand in the treasury of such municipality at the time for such purpose.

History: L. 1933, ch. 319, § 14; March 31.

10-1115. Treasurers not to pay orders. Unless otherwise provided in this act, it shall be unlawful after May 1, 1933, for the treasurer of any municipality to knowingly pay any order, warrant, check or other evidence of indebtedness out of the treasury of such municipality in excess of the amount of funds actually on hand in the treasury at the time for such purpose.

History: L. 1933, ch. 319, § 15; March 31.

10-1116. Limits of indebtedness may be exceeded, when; creating indebtedness in violation of act unlawful. (a) The limits of indebtedness prescribed under the provisions of article 11 of chapter 10 of Kansas Statutes Annotated may be exceeded when: (1) Payment has been authorized by a vote of the electors of the municipality; (2) provision has been made for payment by the issuance of bonds or temporary notes as provided by law; (3) provision has been made for payment by the issuance of no-fund warrants authorized by law and in the manner, and limited in amount as prescribed by law; (4) provision has been made for a revolving fund for the operation of any municipal airport financed and sustained partially or wholly by fees, rentals, proceeds from the sale of merchandise or charges for rendering services, received from the users of such airport; or (5) provision has been made for payment pursuant to a service agreement entered into pursuant to K.S.A. 12-5503.

(b) Notwithstanding any other limits of indebtedness prescribed under the provisions of article 11 of chapter 10 of Kansas Statutes Annotated, the following funds shall have as a limit of indebtedness an amount equal to 100%

of the accrued revenue of the current fiscal vear plus any balances carried forward, cash reserves, intergovernmental grants, and sums advanced to qualify for intergovernmental grants: (1) Special recreation facilities reserve funds set up by any board of park commissioners or any municipality for a revolving fund for the repair, replacement or addition to recreational facilities; (2) enterprise funds set up in any municipality to account for the financing of self-supporting activities of governmental units which render services on a user charge basis to the general public, such as municipal utilities engaged in the provision of water, electricity and natural gas and sanitary sewer systems which are financed by user charges; or (3) intragovernmental service funds or working capital funds established in any municipality to finance and account for services and commodities furnished by a designated agency of a governmental unit to other departments of the same governmental unit such as funds established for central garages and motor pools, central printing and duplicating services and central purchasing and stores departments.

The board of education of any school district, the board of regents of any municipal university or the board of trustees of any community college may enter into contracts for teachers and other necessary employees and for continuing operating expenses in excess of the amount of funds actually on hand for that purpose. The limit of indebtedness provided by this section shall never exceed 100% of the amount actually expended for school purposes for the last preceding fiscal year during which

school was conducted.

(c) It shall be unlawful for any member of the governing body of any municipality, as defined in K.S.A. 10-1101, and amendments thereto, to knowingly vote for or in any manner aid or promote the entering into of any contract or the creation of any other indebtedness in violation of the provisions of this section.

12; July 1.

THE CASH-BASIS LAW AND THE BUDGET LAW

10-1116a. Exemptions from cash basis law; municipal utilities; issuance of no-fund warrants: drought emergencies. The provisions of this act shall not apply to expenditures in excess of current revenues made for municipally owned and operated utilities out of the fund of such utilities caused by, or resulting from the meeting of, extraordinary emergencies including drought emergencies. In such cases expenditures in excess of current revenues may be made by declaring an extraordinary emergency by resolution adopted by the governing body and such resolution shall be published at least once in a newspaper of general circulation in such city. Thereupon, such governing body may issue interest bearing no-fund warrants on such utility fund in an amount, including outstanding previously issued no-fund warrants, not to exceed 25% of the revenues from sales of service of such utility for the preceding year. Such warrants shall be redeemed within three years from date of issuance and shall bear interest at a rate of not to exceed the maximum rate of interest prescribed by K.S.A. 10-1009, and amendments thereto. Upon the declaration of a drought emergency, the governing body may issue such warrants for water system improvement purposes in an amount not to exceed 50% of the revenue received from the sale of water for the preceding year. Such warrants shall be redeemed within five years from the date of issuance and shall bear interest at a rate not to exceed the maximum rate of interest prescribed by K.S.A. 10-1009, and amendments thereto.

History: L. 1941, ch. 95, § 2; L. 1970, ch. 64, § 7; L. 1989, ch. 54, § 1; April 27.

10-1116b. Lease, lease-purchase or installment-purchase agreements; agreements for electric interconnection or transmission facilities; when allowed under cash-basis law. Nothing in the provisions of K.S.A. 10-1101 et seq., and amendments thereto, shall prohibit a municipality from entering into (1) an agreement to pay for electric interconnection or transmission facilities or services, (2) a lease agreement, without an option to buy, or (3) a lease-purchase agreement, if any of such agreements specifically state that the municipality is obligated only to pay periodic payments or monthly installments under the agreement as may lawfully be made from (a) funds budgeted

and appropriated for that purpose during such municipality's current budget year or (b) funds made available from any lawfully operated revenue producing source. For the purpose of this act, a lease-purchase agreement shall include a lease with an option to buy or an installment-purchase agreement.

History: L. 1980, ch. 51, § 1; L. 1990, ch.

74, § 2; May 24.

10-1116c. Lease-purchase agreements; conditions; protest petition and election, when. Any lease-purchase agreement entered into pursuant to this act shall be subject to the following conditions:

(a) If the proposed agreement is for a term exceeding the current fiscal year of the municipality, it shall be approved by a majority vote of all members of the governing body.

(b) If the proposed agreement involves the acquisition of land or buildings, is for a term of three or more years, and provides for payments in any year in excess of 3% of the total amount budgeted by the municipality for expenditure during the current year, excluding debt service, a notice thereof specifying the purpose and the total of all payments shall be published once each week for two consecutive weeks in a newspaper of general circulation with such municipality. If, within 30 days following the last publication of such notice, a petition in opposition to the agreement signed by not less than 5% of the qualified voters of such municipality is filed with the appropriate county election officer, no such agreement shall take effect unless and until the same is approved by a majority of the qualified voters of such municipality voting at an election thereon. Any such election shall be called and held in accordance with the provisions of K.S.A. 10-120, and amendments thereto, or in accordance with the provisions of the mail ballot election act.

(c) If the proposed agreement is for a term exceeding the current fiscal year of the municipality, the agreement shall specify the following: (1) The amount or capital cost required to purchase the item if paid for by cash, (2) the annual average effective interest cost, and (3) the amount included in the payments for service, maintenance, insurance or other charges exclusive of the capital cost and interest cost.

History: L. 1990, ch. 74, § 3; May 24.

THE CASH-BASIS LAW AND THE BUDGET LAW

10-1117. Clerk or secretary; record of moneys; contracts and indebtedness of municipality; records of orders, warrant checks; exhibition of records upon request; notice. The clerk or secretary of every municipality shall keep a record of the amount of money in the treasury and each particular fund and shall keep a record of all indebtedness and contracts creating a liability against the municipality. In such records there shall be shown the date of the making of the contract or the creation of the debt, the amount of the contract or debt, the time payable, and the particular fund from which payment is to be made. Such clerk or secretary shall also keep a record of each order, warrant check or check, drawn on the treasury and paid, giving the date of payment. Such clerk or secretary shall, upon the request of any person, exhibit such records to such person and any person contracting with the municipality shall be chargeable with knowledge of what such records contain.

History: L. 1933, ch. 319, § 17; L. 1973, ch. 54, § 1; L. 1974, ch. 48, § 1; July 1.

10-1118. Treasurer; record of moneys on hand and in each fund; exhibition of record or statement in writing. The treasurer of every municipality shall keep a record of the amount of money on hand in the treasury, which record shall show at all times the amount of money in each particular fund. Such treasurer shall, upon the request of any person, exhibit such record to such person or give such person a statement in writing, showing the balances on hand in each of the funds of the municipality.

History: L. 1933, ch. 319, § 18; L. 1973,

ch. 54, § 2; July 1.

10-1119. Void contracts and orders. Any contract entered into between the governing body of any municipality and any person, which violates the provisions of this act, shall be void, and any order, warrant, check or other evidence of indebtedness drawn on the treasurer of any municipality in violation of the provisions of this act shall be void.

History: L. 1933, ch. 319, § 19; March 31.

10-1120. Excess tax levying not basis of protest. The levying of a tax by any municipality which raises more money than is used or needed for the tax year shall not be the basis of a protest by any taxpayer and all such protests shall be of no force or effect.

History: L. 1933, ch. 319, § 19a; March

31.

10-1121. Penalties for violations. Any member of any governing body of any municipality or any clerk or secretary or treasurer of any governing body of any such municipality who shall knowingly violate any of the provisions of this act shall be guilty of malfeasance in office and shall, by such violation, be subject to be removed from office and in addition any member of such governing body or clerk or secretary or treasurer of such municipality who shall violate any of the provisions of this act, or neglect or refuse to perform any duty herein imposed, shall be deemed guilty of a misdemeanor, and upon conviction thereof in a court of competent jurisdiction shall be subject to a fine of not less than \$10 nor more than \$1,000.

History: L. 1933, ch. 319, § 20; March 31.

10-1122. Invalidity of part. Should the courts declare any section, clause or provision of this act unconstitutional, the decision shall affect only the section, clause or provision so declared to be unconstitutional, and shall not affect any other section, clause or provision of this act.

History: L. 1933, ch. 319, § 21; March 31.

THE BUDGET LAW

79-1973. Temporary suspension of statutory fund and aggregate levy limitations on taxing subdivisions. (a) In 1983, all existing statutory fund and aggregate levy limitations on taxing subdivisions are suspended. In such vear, any taxing subdivision is authorized either to levy taxes upon tangible property which produces an amount not in excess of the amount which was authorized to be levied by such taxing subdivision in the next preceding year or levy taxes upon tangible property at a rate not exceeding the existing statutory fund or aggregate levy limitation. The tax levy required to produce the amount allowed by the provisions of this subsection shall be the levy limit for 1986, 1987 and 1988 unless such tax levy is less than the existing statutory fund or aggregate levy limitation, in which case such statutory fund or aggregate levy limitation shall

(b) As used in this section, "taxing subdivision" means every taxing district in the state

other than the state.

(c) Nothing in this act shall apply to the limitations on aggregate tax levies imposed by the provisions of K.S.A. 79-5001 to 79-5016, inclusive, and amendments thereto.

History: L. 1983, ch. 312, § 1; L. 1986,

ch. 378, § 1; July 1.

THE CASH-BASIS LAW AND THE BUDGET LAW

79-2925. Budgets of taxing bodies; application of act; exceptions; definitions. (a) This act shall apply to all taxing subdivisions or municipalities of the state, except: (1) Townships in counties having the county road unit system which have an annual expenditure of less than two hundred dollars:

(2) any money received by such taxing subdivision or municipality as a gift or bequest;

(3) any revolving fund set up for the operation of a municipal airport. Any city, board of park commissioners, or other agency designated and authorized to operate a municipal airport is hereby authorized to set up a revolving fund for use as an operating fund, either out of the budget or out of the receipts from the operation of such airport, in an amount as may be reasonable and necessary as an operating fund for the efficient and business-like operation of such airport. The financial transactions of said airport shall be audited in accordance with the minimum standard audit program prescribed by the director of accounts and reports as other municipal funds. Profits arising from the operation of the airport after the payment of all necessary operating expenses and the establishment of the revolving fund shall be applied to reduce the tax levy for the budgeted fund under which the operation of such airport is financed;

(4) any special recreation facilities reserve set up by the board of park commissioners in any city for the repair, replacement, or addition to the recreation facilities of such city. The financial transactions of said recreation facilities shall be audited in accordance with the minimum standard audit program prescribed by the director of accounts and reports as other municipal funds. Profits arising from the coliseum events fund and the coliseum concessions, after the payment of all necessary expenses, and the establishment and maintenance of such special recreation facilities reserve shall be applied to reduce the tax levy for the budget fund under which the operation of such recreation facilities is financed; and

(5) any special recreation facilities fund set up by the board of county commissioners for the operation of a county coliseum. The financial transactions of the special recreation facilities fund shall be audited in accordance with the minimum standard audit program prescribed by the director of accounts and reports as other municipal funds. Moneys derived from the operation of a county coliseum and deposited in the special recreation facilities fund shall be applied to reduce the tax levy for the budget fund under which the operation of such county coliseum is financed.

(b) Whenever the term "fund" is used in this act it is intended to have reference to those funds which are authorized by statute to be established. "Fund" is not intended to mean the individual budgeted items of a fund, but is intended to have reference to the total of such individual items.

(c) Whenever the term "director" is used in this act it shall mean the state director of

property valuation.

History: L. 1933, ch. 316, § 1; L. 1933, ch. 121, § 1 (Special Session); L. 1941, ch. 377, § 1; L. 1945, ch. 92, § 2; L. 1959, ch. 62, § 3; L. 1969, ch. 446, § 1; L. 1971, ch. 185, § 19; L. ±975, ch. 498, § 1; L. 1980, ch. 89, § 4, July 1.

79-2926. Budget forms prescribed; furnished by director of accounts and reports; duties of certain officers. The director of accounts and reports shall prepare and prescribe forms for the annual budgets of all taxing subdivisions or municipalities of the state. Such forms shall show the information required by this act and by K.S.A. 1973 Supp. 79-4101 et seq. [*], necessary and proper to fully disclose complete information as to the financial condition of such taxing subdivision or municipality, and the receipts and expenditures thereof, both past and anticipated. All such budget and tax levy forms shall be printed by the director of printing and in such quantity as required by the director. The director shall deliver the forms for all school districts to the clerk of the board of education of each school district. The forms for all other taxing subdivisions or municipalities of the state shall be delivered by the director to the county clerk of each county, who shall immediately deliver the same to the presiding officer of the governing body of the said respective taxing subdivisions or municipalities within the county. Whenever in article 29 of chapter 79 of Kansas Statutes Annotated the words state auditor or auditor of state, or words of like effect, occur, the same shall mean director of accounts and

History: L. 1933, ch. 316, § 2; L. 1933, ch. 121, § 2 (Special Session); L. 1941, ch. 377, § 2; L. 1969, ch. 310, § 60; L. 1970, ch. 386, § 1; L. 1971, ch. 185, § 20; L. 1974, ch.

364, § 29; Jan. 13, 1975.

79-2927. Itemized budget; parallel columns showing corresponding items and rev-

THE CASH-BASIS LAW AND THE BUDGET LAW

enue; non-appropriated balances; balanced budget required. The governing body of each taxing subdivision or municipality shall meet not later than the first day of August of each year, and shall prepare in writing on forms furnished by the director of accounts and reports a budget itemized and classified by funds and showing amounts to be raised by taxation and from other sources for the ensuing budget year. The budget shall show in parallel columns all amounts and items to be expended for the ensuing budget year and the amounts appropriated for corresponding or other items during the current budget year and amounts expended for corresponding or other items during the preceding budget year. The budget for each fund shall not include any item for sundry or miscellaneous purposes in excess of 10% of the total. Except for school districts, municipal universities and community colleges, the budget for each fund may include a nonappropriated balance of not to exceed 5% of the total of each fund.

The budget shall show in parallel columns the amount of revenue actually received from taxation and from other sources, with the amount from each source separately stated for the preceding budget year and the amount actually received and estimated to be received from taxation and from sources other than direct taxation with the amount for each source separately stated for the current budget year and also the amount estimated to be received during the ensuing budget year, with the amount estimated to be received from each source separately stated. The budget of expenditures for each fund shall balance with the budget of revenues for such fund and that portion of the budget of revenues to be derived from ad valorem property taxation shall not exceed the amount of tax which can be raised by any fund limit or aggregate limit placed upon such fund.

History: L. 1933, ch. 316, § 3; L. 1941, ch. 377, § 3; L. 1970, ch. 387, § 1; L. 1989, ch. 295, § 1; July 1.

79-2929. Proposed budget; amendments; public hearing; notice, publication and contents. Prior to the filing of the adopted budget with the county clerk, the governing body of each taxing or political subdivision or municipality shall meet for the purpose of answering and hearing objections of taxpayers relating to the proposed budget and for the purpose of considering amendments to such proposed budget. The governing body shall give at least 10 days' notice of the time and place of the

meeting by publication in a weekly or daily newspaper of the county having a general circulation therein. Such notice shall include the proposed budget and shall set out all essential items in the budget except such groupings as designated by the director of accounts and reports on a special publication form prescribed by the director of accounts and reports and furnished with the regular budget form. The notice of a governing body of any taxing subdivision or municipality having an annual expenditure of \$500 or less shall specify the time and place of the meeting required by this section but shall not be required to include the proposed budget of such taxing subdivision or municipality.

History: L. 1933, ch. 316, § 5; L. 1941, ch. 377, § 4; L. 1970, ch. 387, § 2; L. 1978, ch. 402, § 1; L. 1981, ch. 173, § 79; July 1.

79-2930. Submission of adopted budgets and additional information pertaining thereto to county clerk; duties of county clerk; limitation on taxes levied, exception. (a) Two copies of the budget certificate giving the amount of ad valorem tax to be levied and the total amount of the adopted budget of expenditures by fund, along with itemized budget forms for each and every fund and proof of publication of the notice of budget hearing containing the budget summary shall be presented to the county clerk within the time prescribed by K.S.A. 79-1801 as amended. Where action has been taken under any statute to increase the amount of tax to be levied authorized by law, a statement showing the increased amount or tax levy rate voted, or a copy of the charter resolution or ordinance making the change, shall be attached to the budget each year the change is in effect.

(b) The county clerk shall make any reductions to the ad valorem tax to be levied, compute the tax levy rates based on the final equalized assessed valuation, and enter such on the budget certificate before attesting the budget. A copy of all budgets for taxing subdivisions of the county, properly attested, shall be filed with the director of accounts and reports, along with a copy of the tax levy rate summary required of the county treasurer by K.S.A. 79-2002, and amendments thereto.

(c) Each fund of the adopted budget certified to the county clerk in no event shall exceed the amount of ad valorem tax to be levied and the proposed expenditures of such fund in the proposed budget as originally published. The governing body of each taxing subdivision shall not certify an amount of ad

THE CASH-BASIS LAW AND THE BUDGET LAW

valorem taxes to be levied that is in excess of any tax levy rate or amount limitations or any aggregate tax levy limitations. The governing bodies, in fixing the amount may take into consideration and make allowance for the taxes which may not be paid, such allowance, however, shall not exceed by more than 5% the percentage of delinquency for the preceding tax year.

History: L. 1933, ch. 316, § 6; L. 1941, ch. 377, § 5; L. 1970, ch. 387, § 3; L. 1974, ch. 364, § 28; L. 1981, ch. 379, § 5; July 1.

79-2933. Time for budget hearing; adoption; validity of levies. The hearing herein required to be held upon all budgets by all taxing subdivisions or municipalities of the state shall be held not less than ten (10) days prior to the date on which they shall certify their annual levies to the county clerk as required by law. After such hearing the budget shall be adopted or amended and adopted as amended, but no levy shall be made until and unless a budget is prepared, published and filed, but no levy of taxes shall be invalidated because of any insufficiency, informality, or delay in preparing, publishing and filing said budget.

History: L. 1933, ch. 316, § 9; L. 1941, ch. 377, § 8; L. 1970, ch. 387, § 4; March 13.

79.2934. Funds appropriated by budget; balances; duties of clerks and officers; distribution of tax proceeds. The budget as approved and filed with the county clerk for each year shall constitute and shall hereafter be declared to be an appropriation for each fund, and the appropriation thus made shall not be used for any other purpose. No money in any fund shall be used to pay for any indebtedness created in excess of the total amount of the adopted budget of expenditures for such fund. Any balance remaining in such fund at the end of the current budget year shall be carried forward to the credit of the fund for the ensuing budget year. The clerk or secretary of each taxing subdivision or municipality shall open and keep an account of each fund, showing the total amount appropriated for each fund, and shall charge such appropriation with the amount of any indebtedness created at the time such indebtedness is incurred. If any indebtedness is reimbursed during the current budget year and the reimbursement is in excess of the amount which was shown as reimbursed expense in the budget of revenues for the current budget year, the charge made shall be reduced by the amount of the reimbursement.

No part of any fund shall be diverted to any other fund, whether before or after the distribution of taxes by the county treasurer, except as provided by law. The county treasurer shall distribute the proceeds of the taxes levied by each taxing subdivision in the manner provided by K.S.A. 12-1678a, and amendments thereto.

History: L. 1933, ch. 316, § 10; L. 1941, ch. 377, § 9; L. 1945, ch. 363, § 1; L. 1970, ch. 387, § 5; L. 1983, ch. 319, § 3; July 1.

79.2935. Creation of indebtedness in excess of budget unlawful; exceptions. It shall be unlawful for the governing body of any taxing subdivision or municipality in any budget year to create an indebtedness in any manner or in any fund after the total indebtedness created against such fund shall equal the total amount of the adopted budget of expenditures for such fund for that budget year. Any indebtedness incurred by the governing body or any officer or officers of such taxing subdivision or municipality in excess of said amount shall be void as against such taxing subdivision or municipality: Provided, That indebtedness may be created in excess of the total amount of the adopted budget of expenditures for the current budget year only when payment has been authorized by a vote of the municipality, or when provision has been made for payment by the issuance of bonds, or when provision has been made for payment by the issuance of warrants authorized by the commission in accordance with the provisions of K.S.A. 79-2938, 79-2939 and 79-2940.

History: L. 1933, ch. 316, § 11; L. 1941, ch. 377, § 10; June 30.

79-2936. Removal from office for violation. Any member of the governing body, or any other officer of any taxing subdivision or municipality of the state, who violates any of the provisions of this act shall be subject to removal from office.

History: L. 1933, ch. 316, § 12; L. 1941, ch. 377, § 14; June 30.

^{*} These rates are established for supervisory positions only.

^{**} Hourly rates in this pay range that are designated "24 Hour Shift" are for fire protection positions assigned to work 24 hour shifts with schedules based on a 27 day work period. The rates designated "40 Hour Week" are provided to accommodate the need to assign an employee in a position classification prescribed to one of these ranges to a duty requiring that work be performed during a 40 hour per week schedule.

^{***} Hourly rates in this pay range are for law enforcement positions assigned to work 85-hour schedules based on a 14-day work period.

b. Pay rates for the commissioned positions that are exempt from the overtime provisions of the Fair Labor Standards Act (FLSA). Wages are expressed in minimum, midpoint and maximum annual rates.

| Pay Range | | Minimum | Midpoint | Maximum |
|-----------|---|---------|----------|---------|
| 729 | | 30,132 | 35,349 | 40,567 |

| 091 | 44,588 | 55,697 | 66,807 |

NOTES

EMPLOYEE BENEFITS

SUMMARY OF EMPLOYEE BENEFITS FOR 1994

The 1994 adopted budget was developed based on the rates below and do not reflect subsequent administrative and City Council actions. If actual rates have been changed, they will be reflected in the 1994 revised budget.

| | Civilian | Commissioned |
|-----------------------------------------|---------------|---------------|
| Social Security (FICA) | 7.65% | 1.45% |
| Retirement/pension | 9.50% | 23.30% |
| Workers' compensation | By department | By department |
| Unemployment compensation | .15% | .15% |
| Health insurance (average per employee) | \$2,522 | \$2,522 |
| Life insurance | .16% | .16% |

Employee Retirement

<u>Wichita Employee Retirement.</u> Permanent full-time employees, except Police and Fire department commissioned staff, are members of this retirement system. Employee contribution rates (percent of salary) are fixed and dependent upon the retirement plan (No.1, 6.4%, or No., 2, 4.1%) for which the employee is eligible. City of Wichita contributions are based on actuarial recommendations. The 1993 rate is 10.0% of salaries, the 1994 rate is 9.5% of salary, and the 1995 rate is estimated at 9.4% of salary. The liability of the City is reduced as Plan No. 1 employees retire or leave the system.

Police and Fire Retirement. Permanent full-time commissioned employees of the Police and Fire departments are members of this retirement system. Employee contribution rates (percent of salary) are fixed and dependent upon the retirement plan for which the employee is eligible. City of Wichita contributions are based on actuarial recommendations. The 1993 rate for the City is 22.9%, the 1994 and 1995 rate is 23.3% of salary.

Social Security (FICA)

Social Security contribution rates are established by the Federal government. Equal shares (percent of salary) are paid by the employer (7.65%) and the employee (7.65%). The rate is applied only to the first \$56,700 on an employee's salary. For commissioned Police and Fire Employees (since April 1, 1986) the City budgets 1.45% (Medicare portion only).

Unemployment

The City of Wichita contributes .15% of total salaries toward unemployment insurance. The contribution rate is established by the State of Kansas and is reduced from .28% beginning in 1993.

Health Insurance

The City of Wichita offers two optional health insurance plans. Contribution to the plans is on a 75%/25% split, with the City paying 75% of premiums. For budgetary purposes, the amount charged to departments is computed through a weighted average of both plan options and single or family coverage. Departments are charged \$2,193 per full-time employee in 1993. The rate rises to \$2,522 in 1994.

Life Insurance

Optional term life insurance is available to permanent full-time employees. Coverage is based on employee salary levels and approximates twice the salary. Contribution rates are based on one-third employee, one-third employer, and one-third fund interest revenue. Additional Accidental Death and Dismemberment coverage is available at 100% cost to the employee. The City of Wichita contribution rate equates to .16% of salary in 1993, 1994 and 1995.

Workers' Compensation

The City of Wichita's contribution rate for Workers' Compensation varies by department and is determined by utilization history. Rates range from 0.47% to 3.93% in 1993. A 15% increase in rates for 1994 and 1995 is budgeted based on actual and anticipated increases for medical services. The 1994 rates range from 0.54% to 4.52% of salary.

| Department | 1994 Rate |
|--------------------------|-----------|
| City Manager | 1.61% |
| Finance | 0.68% |
| Law | 0.54% |
| Municipal Court | 0.86% |
| Fire | 4.14% |
| Police | 2.54% |
| Emergency Communications | 0.77% |
| Library | 0.86% |
| Art Museum | 1.12% |
| Human Services | 0.70% |
| Public Works | 4.41% |
| City/County Health | 1.88% |
| City/County Planning | 1.25% |
| Metropolitan Transit | 2.94% |
| Park | 3.61% |
| Water and Sewer | 4.52% |
| Airport | 1.95% |

EMPLOYEE SUGGESTION AWARDS PROGRAM

The City of Wichita established the Employee Suggestion Awards Program in 1984. The goal is for increased efficiency in City operations, by generating and implementing practical suggestions and solutions from as many employees as possible. Employees are encouraged to submit suggestions that result in increased revenue, savings in time/money, improved quality of service and procedures, a safer work environment, and enhanced employee morale.

The Employee Suggestion Committee has received and reviewed 497 suggestions. Of these, 99 have been implemented, resulting in net first-year savings of more than \$258,000.

The program gives employees monetary awards for implemented suggestions. Implementation costs and awards are funded from savings generated by the suggestions.

SAVINGS INCENTIVE PROGRAM

The City Council approved \$500,000 in the 1990 budget for the establishment of a Savings Incentive Program. The program is intended to finance projects which result in reduced operating costs or increased revenues. Departments apply for short-term loans to implement approved projects, and use the savings or increased revenues to repay the loans (plus interest).

The program is open to General, City/County and Internal Service funds. Departments wishing to apply must submit a loan application with appropriate documentation to the Finance Department. Loan applications must conform to the City's administrative regulation covering the Savings Incentive Program, and final loan approval is made by the City Manager.

The following projects have been approved for funding through the Savings Incentive Program and the anticipated annual savings and/or revenues are identified. Proposed Savings Incentive Projects for 1994/1995 are on the following page.

SAVINGS INCENTIVE PROJECTS

| | SAVINGS INCENTIVE PROJECTS | |
|---|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------|
| | Current Projects | Saving or Revenue increase per year |
| 1 | <u>Telephone System Improvement</u> . A more technologically advanced trunk line will increase the number of incoming and outgoing calls to City departments while reducing operating costs. The project was initiated by the Department of Finance and accounted for in the Telecommunication Internal Service fund. The initial cost was \$19,097 and the loan plus interest was repaid in October, 1992. | |
| 2 | In-house Design Work for Engineering Projects. This project involves the purchase of hardware and software to enable in-house detailed design of projects under \$10,000 currently contracted out. The initial equipment investment was \$49,874. The project was initiated by Public Works and the savings will accumulate in the capital projects fund. The loan is scheduled to be paid by the end of 1994. The December 31,1992 outstanding principal balance is \$23,365.30 and interest accrued is \$3,322.85. | |
| 3 | Hematology Analyzer. The Health Department is using the Savings Incentive Program to buy a new hematology analyzer in order to avoid high yearly maintenance costs (\$11,070) on the current unit. The new analyzer cost \$27,767 and the loan will be repaid over a three year period. The December 31,1992 outstanding principal balance is \$18,506.69 and interest accrued is \$1,619.83. | |
| 4 | Computerized Inspection System. This project involves the computerization of the fire permits inspection system. The new system will ensure reliable remittance and processing of fire inspection and permit fees. The initial cost of the computer system was \$83,389, which will be repaid over a three year period. This project was initiated by the Fire Department. The revenues will accumulate in the General Fund. The December 31,1992 outstanding principal balance is \$52,198.90 and interest accrued is \$3,542.22 | |
| 5 | Electrical Service Charge. This project will enable Century II to have exclusive rights to install all electrical hook-ups within the facility. The charge to exhibitors for these electrical installations will constitute a new source of revenue for the General Fund. The initial cost to acquire the equipment was \$18,828.33 and will be repaid in 1993. The project was initiated by Century II. The December 31,1992 outstanding principal balance is \$18,828.33 and interest accrued is \$662.71. | |

SAVINGS INCENTIVE PROGRAM

| | City Hall Lighting. This project will retrofit all hall and elevator corridor lighting fixtures on floors 2 through 13 and the elevator corridor lights on the 1st floor. The fixtures will be retrofitted with a fluorescent type fixture resulting in a 75% energy savings. All fixtures will be lit as a result of this retrofit, rather than the present pattern of every-other-one. The new fixtures will provide wall accent lighting, higher lighting levels and a more uniformity in lighting. The project was initiated by Public Works and estimated cost is \$61,803. The project, once | |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|
| <u> </u> | complete, will pay back principal and interest in three years. | 47.6.000 |
| | Total current projects | 174,070 |

| - | | صست جبيح |
|---|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|
| | 1994/1995 Projects | |
| | | |
| 1 | Automated Parking Control. Hand-held computer devices will replace the process of manually writing parking tickets. The computer devices will provide Parking Control Checkers with immediate information about the owner (i.e., outstanding warrants, habitual violation history) and identify stolen tags and vehicles. The system will also reduce data entry by downloading information to the main computer, eliminating the need for three data entry positions. Initial costs include \$75,000 for the system and \$25,000 for programming. The proposal has been submitted by Municipal Court. | |
| 2 | Computer system. The purchase of computer hardware and software will upgrade and replace the Park department's current mini-computer system. It would establish a computer network system providing computer accessibility to City and Park employees in City Hall and at satellite locations. The current computer system is antiquated and approaching storage capacity. Currently only 2 terminals (three people) are assigned access to the City's mainframe, limiting accessibility for administration employees. Initial cost includes \$113,519 for 30 computers and 6 printers. | |
| | Total1994/1995 projects | 92,400 |
| ļ | Total Savings/Revenue increase | 265,470 |

1993 CALENDAR for the 1994/95 BUDGET DEVELOPMENT PROCESS

1994 Annual Operating Budget and Capital Improvement Program (CIP)

| Tohanoma 22 | |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------|
| February 23 | Budget instructions presented to departments. |
| February 23 - March 5 | Budget assistance seminars held in departments. |
| March 1 | Capital Improvement Program materials sent to departments, City Council, CPOs, and agencies. |
| March 3, 4, and 10 | Finance Overview Workshops |
| March 9 | Financial Plan presented to City Council. |
| April 9 | Department budget requests due in Finance. |
| May | CIP Administrative Committee holds program review. |
| May 3 - May 18 | Management review. |
| May 24 - June 15 | City Manager reviews the 1994/95 budget. |
| June 14 | Draft CIP recommendations presented to City Manager. |
| July 6 | Distribution of City Manager's Proposed 1994/95 budget. |
| July 12 | City-County budget distributed to County administrators. |
| July 13 | Informal hearing on the 1994/95 budget. |
| July 20 or 21 | En banc hearing on the City-County budget. Informal hearing on the 1994/95 budget. |
| July 27 | Informal hearing on the 1994/95 budget. City Council fixes levy and authorizes publication notice on the 1993 annual budget. |
| July 30 | Last day for publication of notice of final hearing on the 1994 annual budget. |
| August 3 | Informal hearing on the 1994/95 budget. |
| August 10 | City Council formal hearing and formal adoption of the 1994 annual budget. |
| August 20 | Proposed CIP published. |
| August 25 | Last day for filing levies and 1994 budget with Sedgwick County Clerk (K.S.A. 79-1801 and 79-2930). |
| September 14 | City Council adopts the proposed CIP, excluding Core Area. |
| September 28 | City Council adopts the proposed Core Area CIP |

THE CITY OF WICHITA

DEPARTMENT OF FINANCE

DATE April 7, 1993

TO Department Budget Preparers

FROM Budget Office

SUBJECT 1994/95 Budget -- Instructions

a.c. "我们

The first phase of budget development is nearly completed, with submittal of line-item detail budgets this week. Your comments confirm that this has been one of the most challenging budget development seasons in recent memory.

Additional information is needed to complete department submittals. Forms are attached to this memorandum and are due in the Finance Department/Budget Office on Monday, April 19.

 <u>Program Options Worksheet</u> -- This is the same form used in meeting targeted bases. Use it to report strategic and low-priority options (generated following the City Manager's Department Head meeting).

In some cases, departments may already have prepared/submitted strategic and low-priority options. You do not need to copy these again.

As the budget process continues, departments may be asked to develop other options.

- 2. City of Wichita 1994 Budget & 1994-2003 Capital Improvement Program -- This is merely a copy of the form that departments already are completing for the CIP process (also due April 19). The form summarizes by project all ongoing operating costs associated with capital projects. Please submit a separate copy of these estimates for use in reviewing the operating budget.
- 3. <u>Performance Measurements</u> -- Departments may use the (attached) 1993/94
 Performance Measurement pages and update them. For departments without
 performance measures reported in the 1993/94 document: Please report three
 (3) or four (4) key performance measures on the attached form, which uses
 the format of the current Performance Measures document.

This year, performance information will be more fully integrated into the budget process, and will be incorporated into the proposed budget document.

Finance staff will work closely with you in the next few weeks to complete information for the Budget Review Cabinet, City Manager and City Council. We applaud your persistence and hard work so far, and thank you in advance for your support as we prepare the best information possible for the decisions ahead.

BUDGET DEVELOPMENT PROCESS ASSUMPTIONS AND TERMS

BUDGET ASSUMPTIONS:

1993 Revised

All adjustments must remain within the bottom line (adopted total). The bottom line should reflect the 1% planned savings. Reproject personal services to include changes in compensation for exempt employees and merit increases. Accommodate these and other changes by finding savings, including holding open a vacant position.

It is assumed that changes for 1993 will be minimal. However, revisions should include all changes resulting from formal actions of the City Council, the State of Kansas, or the Federal government. Documentation clearly showing the mandate should be included with the submittal, as well as the effective date of the formal action.

1994 Approved (R) An overall 2% increase is allowed for documented increases in the 200s (contractual services), 300s (commodities), and 400s (capital outlay). Use the 1993 reprojected personal services estimate.

> If new programs have been formally mandated by the City Council, they may be added. A copy of the City Council Proceedings showing the formal City Council action must be included with the submittal. However, a program (not a "Statue of Liberty" program) costing an equal amount, must be identified and subtracted from the budget. Describe the deleted program on a Program Option Worksheet for possible restoration during budget development.

> If the department has other programs (or department initiatives) that it wants considered, such programs should be presented on a Program Option Worksheet.

> For all changes, the important guideline is that the overall bottom line for 200s, 300s, and 400s will not be greater than 2% of these account categories in the 1993 revised budget.

1995 Proposed

Use the 1993 reprojected personal services estimate. Project the 200s, 300s, and 400s as projected for 1994 Approved (R), using the same guidelines for adding and reducing as for 1994 (R).

EXPLANATION OF TERMS:

Planned savings

These are underexpenditures that historically always occur, usually at the rate of at least 1.5% overall. In the past, planned savings have been budgeted at the fund level. For 1993 adopted, a 1% figure for planned savings was entered administratively at each department appropriation level, so department managers will have a clear understanding of their expenditure limits if the City is to stay within the total budget adopted by the City Council.

1994 Approved (R)

This is a revised or "(R)" version of the 1994 budget that was earlier approved by the City Council (that is, approved during process for adopting the 1993 budget). In the current budget development season, the 1994 Approved (R) budget will become the City Manager's recommended budget to the City Council for formal adoption. On the revolving two-year cycle, the City Council will "adopt" the budget it approved in the prior year. The term, "proposed," will be reserved for the budget two years out (that is, 1995, in the current budget development season) as it is being presented by the departments and the City Manager.

To summarize: In July, 1993, the City Council will take action to <u>adopt</u> the 1994 Approved (R) Budget and to <u>approve</u> the 1995 Proposed Budget.

Documented

Increases up to 2% will be allowed in the 200s, 300s, and 400s only if supporting materials are included. Acceptable materials for documentation include copies (current and prior year) of AVs, PVs, CVs, and PRs clearly showing that unit prices have increased over the former year. Also accepted are price listings by vendors (current and prior year). A general estimate by an industry or government forecast is not acceptable.

"Statue of Liberty" program This is a highly visible ("sacred cow") program that may or may not be supportive of basic community needs or central to a department mission. However, because of the program's political sensitivity or management preference, the program in all probability cannot be considered realistically for reduction. (Also known as a "Washington Monument" program.)

FINANCIAL GUIDELINES AND CAPITAL IMPROVEMENT PROGRAM GUIDELINES USED IN THE BUDGET DEVELOPMENT PROCESS

A. FINANCIAL GUIDELINES (Revised March, 1993)

The City of Wichita's financial policies set forth the basic framework for the overall fiscal management of the City. Operating independently of changing circumstances and conditions, these policies assist the decision-making process of the City Council and the management. These policies provide guidelines for evaluating both current activities and proposals for future programs.

Most of the policies represent long-standing principles, traditions and practices which will guide the City and maintain financial stability. They should be reviewed annually.

OPERATING BUDGET POLICIES

- 1. The City will attempt to maintain its present service level for all priority and essential services within existing tax rates, as adjusted for normal growth in the tax base in 1993. No new services will be added without offsetting expenditure reductions or increases in tax revenues. A phase-in increase in the mill levy, to restore debt service to the 1992 level, will be completed in 1995. Loss of assessed value, through the November, 1992, classification amendment to the State Constitution, will require a one-time only mill-levy increase to support current-level services in 1994.
- 2. The City will maintain a financial and budgetary control system to ensure adherence to the budget and awareness of the financial environment and will prepare monthly reports comparing actual revenues and expenditures to budgeted amounts, operating surplus or deficit conditions, and balance sheets on all funds of the City.
- 3. The City will integrate performance measurement and productivity indicators with the budget.
- 4. The City will attempt to avoid layoffs in all actions to balance the budget. Any personnel reductions will be scheduled to come primarily from attrition.
- 5. The City will emphasize efforts to reduce major cost centers.
- 6. Airport, Golf, Sewer, Water, and Storm Water enterprise funds will be self-supporting.
- Privatization, volunteerism, public/private partnerships, incentive programs and other alternatives will be used whenever possible to provide services.
- 8. The City will endeavor to mitigate subsidies for the Metropolitan Transit Authority.
- 9. Charges for internal services shall be set at the lowest level possible to maintain essential programs.

FINANCIAL GUIDELINES (Continued)

REVENUE POLICIES

- 1. The City will try to maintain a diversified and stable revenue system to shelter it from short-run fluctuations in any one revenue source.
- 2. The City will attempt to obtain additional major revenue sources as a way of insuring a balanced budget.
- 3. The City will follow an aggressive policy of collecting revenues.
- 4. The City will establish all user charges and fees at a level related to the full cost (operating, direct, indirect and capital) of providing the service.
- 5. The City will review fees/charges annually and will design or modify revenue systems to include provisions that automatically allow charges to grow at a rate that keeps pace with the cost of providing the service.
- 6. The City will consider market rates and charges levied by other public and private organizations for similar services in establishing tax rates, fees and charges.

INVESTMENT POLICIES

- 1. Disbursement, collection, and deposit of all funds will be managed to insure maximum cash availability.
- 2. The City will strive to maximize the return on investments consistent with the primary objective of preserving capital in accordance with the City's ordinance and prudent investment practices.

DEBT POLICIES

- 1. The City will confine long-term borrowing primarily to capital improvements.
- 2. In anticipation of bonding, the City will use short-term debt.
- 3. The City will follow a policy of full disclosure on every financial report and bond prospectus.
- 4. Revenue bonds will be issued when practical for city enterprises to reduce the amount of the City's general obligation debt.
- 5. The City will maintain its aggressive retirement of existing debt over 10 years for city-at-large debt and 15 years for special assessment debt.
- 6. The City will use general obligation debt to fund general purpose public improvements which cannot be financed from current revenues.

FINANCIAL GUIDELINES (Continued)

7. The City will use special assessment general obligation debt to fund special benefit district improvements consistent with existing policies.

RESERVE POLICIES

- The City will maintain a revenue reserve to pay for expenses caused by unforeseen emergencies or for shortfalls caused by revenue declines. This reserve will be no less than 5% and not exceed 10% of annual revenues.
- 2. The City will maintain a contingency expenditure account to provide for unanticipated expenditures of a nonrecurring nature, or to meet unexpected small increases in service delivery costs.
- 3. Reserves in excess of these amounts in the General Fund shall be used for one-time only expenditures.
- 4. The City will maintain a debt service fund reserve at year end which is equivalent to 5% of annual revenues to the debt service fund. Any amount in excess of this reserve will be transferred to reduce capital project fund general purpose expenditures.
- 5. Adequate levels of working capital shall be maintained in all proprietary funds.

ACCOUNTING, AUDITING AND FINANCIAL REPORTING POLICIES

- 1. An independent audit will be performed annually, and completed, not later than June 1 of each year.
- 2. The City will produce annual and monthly financial reports in accordance with Generally Accepted Accounting Principles (GAAP) as outlined by the Governmental Accounting Standards Board.

B. CAPITAL IMPROVEMENT PROGRAM GUIDELINES (March 1993)

Projects proposed for the CIP will be reviewed, evaluated and recommended under the following guidelines:

- 1. General revenue supported debt: Maintain a Capital Improvement Program within the debt limitations established by State law, and within a local maximum mill levy for debt service established by the City Council.
- Sales tax moneys shall be earmarked primarily for freeways, with \$4
 million per year for for arterial streets, bridges, and associated
 right-of-way.
- 3. To finance capital improvement projects based on the useful life of the project. General guidelines for financing are:

FINANCIAL GUIDELINES (Continued)

| Project | General Life | Financing Terms |
|---------------------------------------------|---------------------|---------------------------------|
| Public Buildings | 40 years | 10 years |
| New Road Construction Major Road and Bridge | 40 years | 10 years |
| Rehabilitation | 15 years | 10 years |
| Sanitary Sewers and | | |
| Drainage | 40 years | 10 years |
| Miscellaneous Items | Based on asset life | |
| Sales-Tax-Funded Projects | 40 years | Pay-as-you-go/ 15-year Bonds |

- 3. Utilize Utility Revenue Bonds, whenever necessary and feasible, to finance Public Improvements using 20-year amortization to minimize the impact of annual debt service on annual revenue requirements (user rates).
- 4. To maintain a highway and street system which provides safe and effective vehicular access and efficient urban traffic flow with an emphasis on the following:
 - -- Expedite the plans (in cooperation with Sedgwick County) for constructing and financing US-54 and K-96, maximizing State and Federal funds supplemented by Local Sales Tax.
 - -- Concentrate efforts on selected cross-town arterials and intersections to improve traffic movement, safety, and reduce congestion.
 - -- Include features in new projects which will reduce future maintenance requirements (i.e., delineation of crosswalks, low-maintenance medial treatment, etc.).
 - -- Complete railroad crossing improvements on arterials.
 - -- Provide good streets and roadways to serve City facilities (i.e., Art Museum, Cowtown, Expo Hall, Airport, etc.)
- 5. Provide improvements in the downtown area.
- 6. Continuation of Neighborhood Improvement Program in conjunction with code enforcement.
- 7. Emphasize projects in problem areas without regard to the percentage of the total CIP funds available; however, under no circumstances will all projects be selected from one area of the City.
- 8. Develop a balanced capital maintenance program for all types of City assets.
- 9. Include beautification and landscape improvements in projects, especially on arterials and highways, public facilities, etc.
- 11. Insure an adequate water supply for existing neighborhoods and planned growth and development of the City.

DESCRIPTION OF FUNDS AND SUMMARY OF SIGNIFICANT BUDGETING/ACCOUNTING POLICIES

DESCRIPTION OF FUNDS

The accounts of the City are organized on the basis of funds and groups of accounts, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its assets, liabilities, fund equity, revenues and expenditures or expenses, as appropriate. The various funds are grouped by type in the financial statements. The types of funds maintained by the City are as follows:

GOVERNMENTAL FUNDS

General Fund. The General Fund is the principal fund of the City which accounts for all financial transactions not accounted for in other funds. The majority of current operating expenditures of the City other than proprietary fund activities are financed through revenues received by the General Fund.

<u>Special Revenue Funds</u>. These funds are used to account for revenues derived from specific taxes, governmental grants or other revenue sources which are designated to finance particular functions or activities of the City. The City maintains a separate Special Revenue Fund for each Federal or State grant program.

<u>Debt Service Fund</u>. The Bond and Interest Fund is used to account for the payment of principal and interest on the City's general obligation bonds which are recorded in the general long-term debts group of accounts. Revenues for this purpose include ad valorem property taxes, special assessment taxes, investment interest income and City Hall parking lot revenues.

<u>Capital Project Funds</u>. The Capital Project Funds account for capital improvements (except for those financed by proprietary funds) which are financed from the City's general obligation bond issues, special assessments, certain Federal grants and other specific receipts.

PROPRIETARY FUNDS

Enterprise Funds. Enterprise Funds account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the City is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. The acquisition, maintenance and improvement of the physical plant facilities required to provide these goods and services are financed from existing cash resources, the issuance of bonds (revenue or general obligation), Federal grants and other City funds.

<u>Internal Service Funds</u>. Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies for the City and other governmental units, on a cost reimbursement basis.

FIDUCIARY FUNDS

Trust and Agency Funds. Trust and Agency Funds are used to account for assets held by the City in a trustee capacity or as an agent for individuals, other governmental units and other funds. These include Expendable and Pension Trust Funds and Agency Funds.

ACCOUNT GROUPS

<u>General Fixed Assets Account Group</u>. This group of accounts is established to account for all fixed assets of the City, other than those accounted for in the proprietary funds.

General Long-Term Debt Account Group. This group of accounts is established to account for all long-term debt of the City, except that accounted for in the proprietary funds. Under the statues of the State of Kansas, debt issued to finance special assessment project's constitutes a general obligation of the City. Therefore, this debt is recorded in the General Long-Term Debt Account Group and is serviced through the Debt Service Fund. The City does not issue special assessment bonds.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity. For financial reporting purposes the City includes financial information for the appointive boards and commissions that are controlled by or dependent on the City. Control or dependence is determined on the basis of oversight responsibility, budget adoption, taxing authority, funding and appointment of respective governing boards. The boards and commissions which are appointed by the elected City officials, accountable for fiscal matters related thereto and for which the City provides accounting services include:

Art Museum
Library Board
Metropolitan Transit Authority

Wichita Airport Authority Board Board of Park Commissioners Board of Housing Commissioners

The financial activities of these boards and commissions are reflected in the special revenue, capital project, enterprise and expendable trust funds as appropriate.

<u>Basis of Accounting</u>. The accrual basis of accounting is used for all funds except the governmental fund types, Expendable Trust Funds and Agency Funds which use the modified accrual basis of accounting. Modifications in such method from the accrual basis are as follows:

- (1) Revenues are recognized when they become both measurable and available to finance expenditures of the current period. Revenues received prior to their normal time of receipt are recorded as deferred revenues.
- (2) Disbursements for the purchases of capital assets providing future benefits are considered expenditures and are accounted for in the General fixed Assets Account Group. Appropriations for capital

projects are carried forward until such time as the project is completed or terminated.

(3) Interest on general long-term indebtedness is not accrued but is recorded as an expenditure on its due date.

Budgetary Control. Applicable Kansas statutes require that annual budgets be legally adopted for all funds (including proprietary funds) unless exempted by a specific statute. Specific funds exempted from legally adopted budgets are all Federal and State Assistance Funds, all Capital Project Funds, Metropolitan Transit Authority Fund, Wichita Airport Authority Fund, Golf Course System Fund and all Trust and Agency Funds. Controls over spending in funds which are not subject to legal budgets are maintained by the use of internal spending limits established by management. For budgeting, revenues are recognized when they become both measurable and available to finance expenditures of the current period except for special assessments of the Bond and interest Fund which are recognized on the cash basis.

Applicable Kansas statutes require the use of an encumbrance system as a management control technique to assist in controlling expenditures. Encumbrances of the budgeted governmental fund types, representing purchase orders, contracts and other commitments, are reported as a charge to the current year budget. for budget purposes, unencumbered cash balances are determined by deducting liabilities and encumbrances from cash and receivables susceptible to accrual.

The statutes provide for the following sequence and timetable in adoption of budgets:

- (1) Preparation of budget for the succeeding calendar year on or before August 1 of each year.
- (2) Publication of proposed budget on or before August 5 of each year.
- (3) A minimum of ten days notice of public hearing, published in local newspaper, on or before August 15 of each year.
- (4) Adoption of final budget on or before August 25 of each year.

Kansas statutes permit transferring budgeted amounts from one object of purpose to another within the same fund; however, such statues prohibit creating expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. All unencumbered appropriations lapse at the end of the year, except for capital project funds which are carried forward until such time as the project is completed or terminated. Kansas statues permit original budgets to be increased for previously unbudgeted increases in revenue other than as valorem property taxes. The City must first publish a notice of hearing to amend the budget. Ten days after publication, a public hearing is held and the governing body may amend the budget at that time.

Additional information regarding funds and budgetary accounting policies may be found in the City of Wichita's <u>Comprehensive Annual Financial Report</u> prepared by the City Controller's Office.

DESCRIPTION OF REVENUE SOURCES

Administrative Charges

Reimbursements to the General Fund for the indirect costs incurred against General Fund budgets for the indirect support of departments and operations funded outside the central administrative divisions. (Administrative Procedure.)

Ad Valorem Property Taxes

Taxes levied against the assessed valuation of taxable real and personal intangible property in the County. The tax rate is expressed in "mills" per \$1 of the assessed valuation of the property, and is equal to \$1 per \$1,000 of assessed valuation. Currently, Kansas Statutes set the assessment of real estate and tangible personal property at thirty percent (30%) of its true market value. As mandated by the Kansas Legislature, reappraisal currently underway will establish a new assessment percentage on the various types and classes of property effective January 1, 1989. (K.S.A., Ch. 79, Articles 1-6a, 10, 14, 16-21, 23, 24, 26-29, 40, 45, 50; other chapters of K.S.A., particularly those applicable to the various political subdivisions, also deal with local tax levies.)

Alcoholic Liquor Tax

A tax on gross receipts from the sale of liquor at retail. (K.S.A., Ch. 79, Art. 4108.)

Bingo Tax

A three percent (3%) tax on gross revenues incurred by bingo parlors to be used for the purpose of enforcement and regulation. (K.S.A., 79-4704.)

Charges for Current Services and Sales

Revenue derived from all charges required for current services and sales such as the recording of legal instruments, the sale of certificates, examination fees, the sale of department division manuals, street cut repairs, and safety charges and sales, nursing fees, and other health charges and sales. (K.S.A., Ch. 12, Art. 7, Ch. 13, Arts. 9 and 14, Ch. 28, Art. !, Ch. 65, ARts. 24, 708 and 737a; Code of the City of Wichita, Chapters 1.04.070, 2.08, 2.21, 2.24, 6.04, 7.12, 10.20.050, 11.68, 19.08.030, 21.04.040, 22.04.220, and 28.04.210.)

Dealers' Stamp Tax

Taxes paid on new and used automobiles by dealers in lieu of ad valorem taxation on automobile dealers vehicle inventory. (K.S.A., Ch. 79, Art. 10.)

Delinquent Tanqible Property Taxes

Ad Valorem property taxes collected from pervious tax years. (K.S.A., Ch. 79, Art. 2004 and 2004a.)

DESCRIPTION OF REVENUE SOURCES - Continued

Federal and State Grants and Contributions

Revenue received from the Federal and State governments for assistance in programs such as Low Cost Housing, youth programs, health related programs, or other Federal and State supported projects. (Administrative Agreement.)

Fines and Penalties

Revenue derived from Municipal Court fines, forfeits, and penalties. (K.S.A., Ch. 13, Art. 617; Code of the City of Wichita, Title 4, Intoxicating Liquor; Title 5, Public Safety Morals; Title 11, Traffic.)

Franchise Fees

An annual fee paid for by Arkla Gas Co., KPL, KG&E, Southwestern Bell, Multimedia Cablevision, Wichita Water Utility, and MTA for the privilege of doing business in the municipality. (K.S.A., Ch. 12, Art. 20; Code of the City of Wichita -- Franchises.)

Gasoline Tax

A tax on the use, sale, or delivery of all motor-vehicle fuels used, sold, or delivered in this State for any purpose whatsoever. Taxation rates are set by a formula established by the Director of Taxation. (K.S.A., Ch. 79, Arts. 3408 and 3425.)

<u>Interest Earnings</u>

Revenue derived from the proper management of the City's assets through investment of public funds being held until expended or distributed to other units of government. (Code of the City of Wichita, Section 2.18.030; Administrative Procedure.)

Intergovernmental Revenue

Revenue derived from payments to the municipality by other public governments. (K.S.A., Chapters 12, 68, and 79; Administrative Agreements.)

Licenses

Revenue derived from the issuance of a legal permission by the City of Wichita, which authorizes a person to operate a business or occupation in the municipality. The regulation is based on the police power of protecting the public safety, health, and general welfare. (Code of the City of Wichita, Titles 3-4, 7, 10, 16, 18-19, 21-22, 24-26 and Chapters 3.02 and 3.04.)

Local Sales Tax

A one percent (1%) tax approved by the voters of the community in July 1985, levied on gross retail sales in Sedgwick County in addition to the four and one-quarter percent (4.25%) tax levied by the State of Kansas. (K.S.A., Ch. 12, Art. 1.)

DESCRIPTION OF REVENUE SOURCES - Continued

Motor Vehicle Tax

A tax collected by the County on all motor vehicles that are not subject to property or ad valorem taxes, such as passenger cars, pick-up trucks, and motorcycles. (K.S.A., Ch. 79, Art. 51.)

Payment in-Lieu-of Taxes

Revenue derived from the issuance of a legal permission by the City of Wichita authorizing certain work to be performed on a particular project. (Code of the City of Wichita, Chapters 10.08, 10.12, 10.24, 10.20, 14, 16.04, 16.08, 17.08, 18.04, 18.04.065, 18.08, 18.12, 18.24, 18.28, 19.08, 21.04, 22.04, 22.08, 24.04, 26.04, 26.04.100., and page 30, Uniform Building Code, 1979 edition.)

Rental Income

Revenue derived from the rental of City facilities such as City Hall Cafeteria and Parking Garage, Century II Concert Hall, Omnisphere, Lawrence-Dumont Stadium, Expo Hall, and Building services. (K.S.A., Ch. 12, ARt. 21 and 631c; Code of the City of Wichita, chapters 2.21, 7.08, 9.20, 16.04, 16.16, 17.12; Charter Ordinance No. 13, Code of the City of Wichita; Administrative Procedure.)

Special Assessments

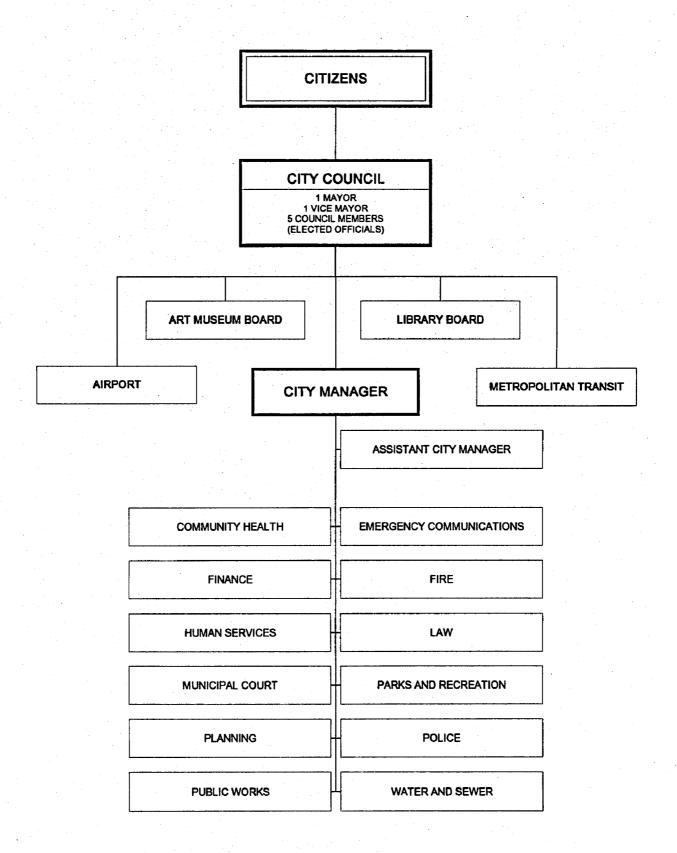

Charges which the local government makes to pay for a specific service or project such as streets, sewers, curbs, and gutters which benefit a particular piece of real estate. these charges are assessed on the basis of the square footage of the lot, against the value of the lot, or on the basis of both lot square footage and value. (K.S.A., Ch. 13, Art. 9; Code of the City of Wichita, Ch. 2.24.)

Transient Guest Tax

A five percent (5%) tax upon the gross receipts paid by guests in any hotel, motel, or tourist courts located in the incorporated territory of the City of Wichita. (K.S.A., Ch. 12, Arts. 1693 and 1694; and, Charter Ordinance No. 83, Code of the City of Wichita)

User Fees

Revenue derived from payments made by the general public for the purpose of utilizing goods and services such as entry fees, Park Department charges, class registrations, tenant rental, and concessions. (Code of the City of Wichita, Title 9.)
